

Nicholas Jones package 15 Nov 2018

This package is intended only for personal or professional family history research. It is a read-only format that cannot be edited or changed. Users must cite the author and source of the content that is used just as for a printed work, and the citation must include “The Swedish Colonial Society” and its URL www.colonialswedes.net. For example: “Nicholas Jones package 15 Nov 2018 from the Swedish Colonial Society (www.ColonialSwedes.net).” The Swedish Colonial Society makes no express or implied warranties or representations as to the quality and accuracy of the content of the package and offers the package on an “as is” basis, accepting no responsibility for any use of or reliance upon it. This PDF can be searched for matching text; be aware that OCR errors abound. Most handwritten family sheets have been transcribed, and a search will usually take you to the correct page, significantly above and to the left of the actual matching words.

This package includes all Peter Craig’s annotated family group sheets for Nicholas Jones and his ancestors. It is about 34 pages long and contains sheets relating to Nicholas Jones starting with his son Peter Jonason (1747-1795) m. Elizabeth Rose, Nils Jones/ Nicholas Jones (-1784) m. Christiana (~1724->1784), his parents Peter Jonason (1687-1760) m. Deborah (~1709-1754), his grandparents Nils Jonasson (1655-1735) m. Christiana Gausenberg, his great-grandparents Jonas Nilsson (1620-1693) m. Yertrue (Gertrude) Svensdotter (-after 1691) and Olle Nilsson Justberg (-1692) m. Cynthia (1619-1703), and one great-great-grandparent Sven Gunnarsson (~1610-~1678).

Two watermarks have been applied to this document. The first, along the left margin, gives the URL of the original source of this document, i.e. the URL “www.ColonialSwedes.net.” This serves to remind all of us genealogists to cite our sources, and it gives the location of the source so that anyone using any part of this document knows where to go for more information.

The Swedish Colonial Society encourages ethical behavior as regards giving credit where credit is due and to that end has applied a second watermark which reads “Property of the Swedish Colonial Society. Unauthorized distribution prohibited.” The Society owns this material, and we insist that you not copy this package onto other web sites. We prefer that you create a link to the appropriate page on the Swedish Colonial Society web site so that updated information is available to those who want it. So much on the web has been copied here, there and everywhere to huge disadvantage, because when corrections are made, they are drowned in a sea of spurious copies.

If you would like to have a copy of this document for your own use, we do charge a fee since so much time and effort went into its creation. The downloaded copy can be printed, copied, or sent to close cousins, but please do not distribute it to lists or web sites or imbed it into Ancestry files. The “Property of the Swedish Colonial Society” watermark on the downloaded copies will be faint (as it is on this page), although the URL “ColonialSwedes.net” will still be quite strong.

Source citations on these hand-written family group sheets were assiduously recorded by Dr. Peter Craig, FASG, as numbers in the circles following each field. (FASG is “Fellow of the American Society of Genealogists” - a society which honors significant scholarship and achievement in genealogy.) At the bottom of every printed sheet is an explanation that the “footnoting” numbers in the circles following every field give the source(s) for the data filling that field, and the numbered sources appear at the bottom of the sheet. Dr. Craig used abbreviations to indicate his sources. For published abstracts, Dr. Craig often cited the original source page number, as given in the abstract, rather than citing the page number within the abstract.

Sven Gunnarsson
(c1610-c1679)

Birth date estimated from apparent age of eldest son.
Death was between November 1677 and March 1679.
Place of his residence at time of death was Widaco.
Marriage date estimated from apparent age of eldest son.
Name of wife not discovered; she died in New Sweden.

Sven Svensson was a "boy herding cattle" in 1644; he was involved in a Maryland lawsuit in 1655; therefore he must have been born about 1634.

Gertrude Nilsson's eldest son was named executor of the wills of both Sven and Olle; her son-in-law Peter Yocum in the will of Anders. Olle's will describes her eldest son as "my kinsman, Nils Johnson[Jonasson]".

Anders Svensson was named as one of the first children born in New Sweden (Kalm, Tillhagsband, 226) As the first-born was Beata,^{2d} wife of Lars Carlsson Lock (Ibid) and she was no older than 18 when Lock sought permission to marry her in late 1661, Beata couldn't have been born before 1643. This would place Anders' birth about 1644. Anders Svensson's eldest known child, Gunnar, was born 1667. (2 PMHB 226)

Sven Gunnarsson
(c1610-c1679)

- 1640 - Sven Gunnarsson and family arrived from Sweden on the Kalmar Nyckel. (Kalm, Tillägsband, 226) (See also Johnson, Swedish Settlements, 711, which states that he was "probably brother of Peter Gunnarsson Rambo"; no documentation has yet been found supporting this statement.)
- 1644 - Sven Gunnarsson planting tobacco at Christina (Johnson, Swedish Settlements, 702); ~~Sven Svensson [his son], a boy herding cattle at Christina plantation. (Ibid) (Johnson states at p. 714 that Sven Svensson went to New Sweden in 1643 with Papegöja; this is contradicted by Kalm and common sense: Sven would not have left one member of his family in Sweden in 1640.)~~
- 1648 - Sven Gunnarsson listed as freeman on New Sweden roll (Johnson, Swedish Settlements, 718)
- 9 June 1654 - Sven Gunnarsson one of 19 old settlers signing oath of allegiance to Governor Rising. (Johnson translation, Balch Inst., Box 55)
- 27 July 1653 - Sven Gunnarsson one of 22 freemen signing complaint against Governor Printz. (Johnson, Swedish Settlements, 462-63; Instructions, 37-38)
- 7 July 1654 - Sven Gunnarsson one of six freeman signing 2nd complaint against Printz. (Johnson trans., Balch Institute, Box 55)
- 1654-1655 - Sven Gunnarsson, a freeman, living at Kingsessing (Johnson, Swedish Settlements, 718)
- 31 Aug. 1655 - Sven Gunnarsson one of Kingsessing freemen volunteering to aid Governor Rising in defense of Fort Christina against the Dutch. (Ibid, 602)
- 2 Feb. 1657 - "Swen de Molenaer" [the miller] purchased 1 blanket, 5 ells of linen, 12 ells of duffel and 1 pair of stockings from Elmerhuysen Cleyn; Olle, Sven and Anders "Swenschen" also trade with Cleyn. (Gehring, Delaware Papers-Dutch, 254-55)
- 5 May 1664 - "Swen Gonderson, Swen Swenson, Oele Swenson and Andrias Swenson" granted 400 morgens or 800 acres of land at Wicaco by Dutch governor D'Hinoyossa (Paxson, Where Penna. History Began, 31, 75; Roach, 92 PMHB 24, n. 35) (Ex. 8; 431-432)

Sven Gunnarsson (2)
(c.1610-c1679)

Ole Swenson
& Andries
Swenson

31 May 1671 - English Governor Lovelace confirms by patent the ownership by "Swen Gonderson, Swen Swenson, et al" of 800 acres plus another 345 acres at Wicaco, formerly granted by D'Hinoyossa. (Roach, 92 PMHB 14, n.22; 24 n. 35; Phila. Exemplification Book, 2:542; Hazard's Annals, 514) (Pa. 8:431-432)

3 May 1671
(Pa 8)

4 June 1673 - Upland Court judgment recites fact that "Harmen and Gerrit Ennis" [Enochson] "have use of [rent] Swen Gunnarson land in Kingsessing" (Upland Court Records, 173) 1675 reference to same land (Gehring, 83-84)

13 Nov. 1677 - "Andrie Swen & father" listed as tydable by Upland Court, their names being listed immediately above "Oele Swensen" and "Swen Swensen" (Ibid, 78)

13 Nov. 1677 - "Swen Gunner" withdraws lawsuit against "Oele Erickson" in Upland Court, the parties having agreed out of court. (Ibid, 68)

1678 - G. B. Keen's opinion is that Sven Gunnarsson died "not long after" 1677 (3 PMHB 402-03); he must have died before next entry:

13 March 1679 In boundary dispute, Peter Rambo Sr. sues three "Swensen" brothers; father not named a defendant and therefore presumably dead. (Upland Court Record, 134-35)

Note: Watson's Annals of Philadelphia names Captain Sven Schute as the father of the three Svensson brothers of Wicaco; this is an obvious error.

George Fox's Journal, 1672:

10 Sept. 1672: Next day, we travelled 50 miles [from a place in NJ] and at night, finding an old house, which the Indians had forced the people to leave, we made a fire and stayed there, at the head of the Delaware Bay. (p. 515)

[Note: This house, at or near Matinicum Island -- present Burlington Island -- was owned by the Dutchman Jacob Alrichs. Earlier that year 2 Dutch servants of Jacob Alrichs had been murdered on the island. Hans Månsson and the Pennsylvania militia were sent there as a result. Jonas Nilsson buried the dead. (My article, 253 and n. 75)]

11 Sept. 1672: Next day we swam our horses over a river about a mile wide, first to an island called Upper Tinicum, and then to the mainland; having hired Indians to help us over in their canoes. This day we rode but about 30 miles, and came at night to a Swede's house, where we got a little straw, and stayed that night.

[Note: Fox's mileages appear somewhat exaggerated, as he computes the distance from Burlington Island to New Castle as being 70 miles. (See 12 Sept. 1672 entry) In Fox's favor, however, the Indians' trails were not as direct as modern-day highways. Accepting Fox's figures, he stayed overnight 3/7th of the distance between Burlington Island and New Castle, or at the location of ~~May~~ Wicaco, where Sven Gunnarsson and his three sons, Olle, Sven and Andrew Svensson (Swanson) lived. Andrew Svensson (Swanson) is an ancestor of Pierre S. duPont III, present governor of Delaware.]

[Further note: Sven Gunnarsson died around the time that William Penn arrived in America in 1682; his three sons sold 300 acres of the family estate to William Penn as a site for the original city of Philadelphia. Later, the family gave the lands now used by Gloria Dei (Old Swedes) Church.]

12 Sept. 1672: Next day, having hired another guide, we travelled about 40 miles through the woods, and made a fire at night, by which we lay, and dried ourselves; for we were often wet in our travels.

Megkirehondom, sachem of **Pemipachka**, conveys to Dutch West Indies Company "A piece of land called by their people **Wiquachkoingh**, located on the South River of New Netherland . . . The land extends from the south end of a marsh (running between the thicket and the forest) along the right past the Voogele Sandt, approximately NNE to a small stream, forming there a round and rather high point nearly opposite the south point of Schutter's Island, and inland five or six miles."

1655:²

"From **Wickquakonick** all the way to **Nittabakonck**, which is situated at the falls of the River Menejackse [Schuylkill], the land is very fine, but not so high as that which can be seen at Nittabakonck. This is occupied in greatest force by the most intelligent savages of several nations of savages, who own this River and dwell here. There they have their dwellings side by side one another, wherefore also this land is thereby being cleared and cultivated with great power. And six different places are settled, under six sachems or chiefs, each one commanding his tribe or people under him, and each [tribe] with its own peculiar language, [there] being several hundred men strong, under each chief, counting women and children, some being stronger, some weaker. As for instance **Poetquessingh**, **Pemickpacka**, **Wickquaquenacke**, **Wickquakonick**, which are situated along the river, but **Passajung** and **Nittabakonck** are situated up Menejackse Kill."
